

## CopperShield Push Pads

Hygienic Door Activation

## Durable & Attractive Antimicrobial Copper Push Pads

Antimicrobial Automatic Door Activation Switch, designed to kill 99.9% of disease causing bacteria, including MRSA and E. coli

### APPLICATIONS

Hygienic automatic door activation for hospitals, clean-rooms, pharmaceutical industry, or indeed any environment where hygiene and convenience are a requirement

### WIRELESS FOR EASE OF INSTALLATION

Available in hardwired or wireless versions (433MHz)

### DURABLE

Tested to in excess of 10 million activation cycles our range of switches offer low maintenance combined with elegance

### AVAILABLE IN TWO SIZES

6" (152mm) Square

4.5" (115mm) Square

# CopperShield Push Pads

Hygienic Door Activation

## Technical Specifications

SIZE:	<u>4½" (115mm) SQUARE</u>	<u>6" (152mm) SQUARE</u>
EPA Approved GLP Test Protocols	Efficacy as a Sanitiser, Residual Self-Sanitising Activity, Continuous Reduction of Bacterial Contaminants	
Bacteria	E. coli 0157:H7, Methicillin-Resistant Staphylococcus aureus (MRSA), Staphylococcus aureus, Vancomycin-Resistant Enterococcus faecalis (VRE), Enterobacter aerogenes, Pseudomonas aeruginosa	
Material / Finish	18-gauge copper alloy / brushed	
Electrical / Power	12 - 24 VAC/VDC - Hardwired, 9 VDC (Battery) - Wireless Transmitter	
Operating Temperature	-40°C to +60°C	
Dimensions (WxHxD)	4½" x 4½" x 1½" (115 x 115 x 38mm)	6" x 6" x 1½" (152 x 152 x 38mm)
Engraving	Handicap Logo / Press to Open	
Mounting Options	Directly into Electrical Box or Universal Mounting Boxes	
Operating Options	Hardwired or Wireless Transmitter (433 MHz available)	
Wireless Signal Range	Up to 100 feet (30m) with Ultra Small Transmitters	
Activation Switch Type	(1) NO or NC	
Part Numbers	C4S1 (call Hotron for options)	C6S1 (call Hotron for options)

## Associated Accessories

Recess Mounting Kit  
for C4S1U0 and C4S1U4  
4UFK

## Range Available

Hardwired, Copper  
4½" (115mm) Square  
C4S1

Hardwired Copper 4½" (115mm)  
Square w/Universal Box  
C4S1U0

Wireless Copper 4½" (115mm)  
Square w/Universal Box and  
433 MHz transmitter  
C4S1U4

Hardwired Copper  
6" (152mm) Square  
C6S1

Hardwired Copper 6" (152mm)  
Square w/Universal Box  
C6S1U0

Wireless Copper 6" (152mm)  
Square w/Universal Box and  
433 MHz Transmitter  
C6S1U4

Ultra-small 433MHz receiver  
433MHz-RX

Ultra-small 433MHz  
replacement transmitter  
433MHz-TX
